

16-19 FEB 2018

SEA KAYAK FEST WA

Registrations are open for the 7th Annual Sea Kayaking Symposium run in Western Australia and hosted by Paddle WA & Sea Kayak Club WA. The 2018 event will take place in the beautiful south-west corner of our state. A sea kayaker festival base-camp will be set up overlooking the sheltered waters of Geographe Bay at Camp Grace (approx. 10km from Busselton). The base-camp is close to plenty of excellent paddling sites on the capes, with opportunity for paddlers of all levels to challenge themselves and enjoy learning about the many

dimensions of sea kayaking. The weekend will feature an exciting array of on and off water activities, daily kayaking trips, opportunities to learn new skills, the chance to learn from some of the worlds most experienced paddlers, and wonderful paddling in one of WA's premier coastal areas
